**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

A few years ago my family had a DSL connection but then my provider Sonic offered a new Fiber option that changed everything for me and my family. Today my kids can do their homework (internet connection required) at the same time! Please do not start limiting options. I shop smart for my cell phone, my internet, my TV, in each case I've carefully saved money and worked to negotiate the biggest return. Please do not take away my option to create and negotiate the best option for me and my family.
